Community Advisory Board Meeting Schedule

Our Community Advisory Board (CAB) builds and fosters relationships between the local community and people living with HIV/AIDS. An active CAB with a committed membership is an integral part in the effort to combat HIV/AIDS and can help strengthen the local community's capacity to respond to critical needs in the future.

The CAB serves as a voice for the clients of COMPASS Cares.

Please join us for the following meetings.

We welcome questions, concerns, and comments.
